FROM OUR GRAND KNIGHT, DEAN-O

Hey What's up 11981!

I guess you know what my opening will be by now “So many things have been happening at our Council.” So, these past few weeks have been no different.

Knights’ Café

A big thank you to all our **Knights’ Café** help as we have brought back the Café.

We are always looking to explain & train any of you that are interested in the Café program. Click on the link below, and pick a position to volunteer for.

It’s more fun than work!

Please click here and sign up for a Nov 6/7 Cafe slot

JP RECEPTION

We had about 300 guests turn out after the 5:00 o’clock mass this past Saturday.

We were co-host, with the parish, to a nice send off for Friar Johnpaul, as he travels to Ohio on a new assignment. It was nice to see so many of our parishioners together again. Looking around the room Saturday, it dawned on

me, we all know JP is a priest, as we celebrated with him 25 years. We all know JP as a Franciscan for 40 years. We all know JP as our brother in Christ, but I think what we all had in common was, JP is our friend as each one of us has our own connection in one way or another and to embrace that feeling collectively was really a good feeling. Happily, he plans on making a visit to Holy Family for a Mass or two each month, So we will be seeing him around.

“SHINING STARS”

This coming Saturday, from 12:00 noon to 4:00 pm, please set your dial to 1410 AM 96.7FM or catch us live on Facebook. This will be the second annual Radio Show Live Broadcast discussing just how we support individuals with Intellectual Disabilities. We will be having on our website and Facebook page an opportunity for you to show your love & support. **What I am really looking for, is each of you to share the flyers we sent to you earlier this week, with just 3 people, this will get our message out and we will be well on the way to our goal.**

UPCOMING BUSINESS MEETING DATES

COVID-affected scheduling of the Church Building hours has caused us to temporarily shift our LIVE Business Meetings to THURSDAYS. Thus, our schedule for the upcoming Business Meetings is:

October: Thursday the 28th in our usual lower level meeting room

November: Thursday the 18th** upstairs in “Common Ground”

December: Thursday the 16th** upstairs in “Common Ground”

**These two meetings are a week or so earlier than the usual "4th week of the month" to avoid conflict with the holidays AND in a different room due to space conflicts.

Website/Facebook

One of the best tools to let people know who we are and what we do is our website & Facebook page. We have a professional that has been posting all of the things we have been doing, so please if you are online, Like our Facebook page and keep posted on what's up. You will equally enjoy or website, so give it a look and send them both to a friend or two.

NEWMAN APOSTOLATE DRIVE

BROTHERS, WE NOW CONTINUE TO HELP “THE NEXT GENERATION”

Knights provide needed financial support to college aged adults in our lives through two major fundraising drives: **Vocations and Newman**. Our council members & friends did a FANTASTIC job last month supporting the Vocations Drive (See article below).

Now we turn to the Newman Drive to support the spiritual development of Catholic students at Illinois Colleges/Universities

SEE WHAT A NEWMAN CENTER DOES!!

Take a peek at these 2 minute videos provided to us by Fr. Brad Zamora of the Shiel Student (Newman) Center at Northwestern and Fr Kyle Manno of the Newman Catholic Center at NIU in DeKalb

[SEE NEWMAN IN ACTION AT NORTHERN ILLINOIS](#)

[SEE NEWMAN IN ACTION AT NORTHWESTERN](#)

From our Council Newman chair, Greg Flanagan

You either have, or will shortly, receive a postcard in your home mailbox from the Illinois State KofC Council, regarding your support of the Newman Apostolate Program. As a past beneficiary of the Newman campus program, I want to encourage you to open your heart, and your checkbook/Visa card, to invest in the Catholic future of our young adults!

At a time when a young person's faith is tested the most, Newman Centers provide a Catholic home to students who are away from their families for the first time. The Knights support "the Home Parish on Campus" at many Illinois Colleges and Universities providing seriously needed operating funds and touching over 800,000 students.

Named in Honor of Saint John Henry Cardinal Newman, the Newman Centers are Catholic residence and ministry centers at universities throughout the world. They were inspired by

*Newman's writings encouraging societies for catholic students attending university.
Newman Centers are truly a student's "parish away from home".*

HERE'S WHAT I NEED YOU DO...

**I'm only asking each Knight to give up one Pumpkin Spice Latte (or such!) and donate that \$5.00 to the Newman Fund.
Yes, just \$5.00**

DONATE NOW BY CREDIT CARD

**BE SURE YOUR DONATION, WHETHER BY CREDIT CARD or CHECK, INCLUDES
OUR COUNCIL NUMBER 11981**

However, I would encourage you to join with many of our 11981 Brothers and become a CENTURY CLUB member by donating \$100.00 or more. When you do, you will receive the thanks of a very grateful past "Newmanite" (me!) and the very distinctive KofC "Cross" lapel pin (pictured above) that proudly displays you have personally committed to make a real difference for the future.

It is preferred that all donations be made via Credit Card by clicking on the button above. Alternatively, you can mail a check to Illinois State Council, PO Box 681, Kankakee, IL 60901

(Be sure your check includes notations: "Council "#11981" AND "Newman Drive")

Thanks in advance to everyone reading this!! Contact me if you have any questions greg.flanagan@comcast.net

MEMBERSHIP DRIVE WEEKEND
Oct 23/24

From Membership Chair, Rick McMahon

We are holding our Fall Membership Drive at all masses on the weekend of October 23-24. This also coincides with our corporate mass on Sunday 10/24. Both events are very important to our recruitment effort.

How we market ourselves and our council is important to prospective members. *A strong showing at our Corporate Mass speaks to the strength of our organization and our commitment to it.* As we emerge from covid restrictions, it is important to both the parish and our council that we take a visible leadership role in our church. Our Grand Knight Dean-O has lead the way with his communication and eagerness to help our church reopen and reengage. As our fellow parishioners return, we need them to see the value of the Knights of Columbus and have a desire to join us. **I ask all of you to please attend the corporate mass, and proudly display your badges as members our our council.** I'd also like you to consider proudly wearing your badges whenever you attend mass.

Also important is to talk to parishioners about joining the Knights. Your contacts at Holy Family are our number one recruitment tool. We need parishioners to be ready for the recruitment drive, so the bulletin announcements, and pulpit announcements are not the first time they are being approached. So please, talk

up the recruitment drive, attend the corporate mass, wear your Knights badges at church, and sign up to staff the recruitment drive. We have a great group, a great organization, and a great parish, all are fantastic points to sell to potential members.

This year, we will be using the online signup and handing out QR code slips for prospective members to sign up online. I will have my personal laptop and iPad at the narthex to assist in immediate signup. We will need 3-4 brothers per mass to steer potential candidates to the desk so we can provide information and hopefully register some new members immediately. Please volunteer!

Click [HERE](#) to sign up for a 30 minute shift...or two!

CORPORATE MASS/BRUNCH**
Sunday October 24th 9am
Honoring our 60 & 50yr+ Brother Knights!

*****Definition of "corporate": "of, relating to, or formed into a unified body of individuals"***

Thus, our "Corporate Mass" is when all of our available Council brothers/friends/spouses/significant others/family attend Sunday mass as a "unified" group.

We will sit TOGETHER in a reserved section of the church (usually in front on the tabernacle side). We will NOT process into church together...just seat yourselves in the reserved section. **PLEASE, PLEASE, (PRETTY PLEASE!!)**...IF YOU ATTEND, COME SIT IN THAT SECTION. We are there to be "UNIFIED" and to show our unity to the parish!! Being scattered around the church misses the point! (THANKS !)

Attire is smart casual, sport coat not required...but always looks nice 😊

Immediately after mass, we will gather in the Gym for a very light brunch AND a short celebration to recognize four of our Council Brothers who have this year collectively attained a total of 229 years as a Knight of Columbus!!

WE NEED A FEW GOOD MEN TO HELP SET UP FOR THE BRUNCH IN THE GYM BEFORE MASS (at 8AM).

Please let our Council Director, Bob Vanselow know if you can help...Also you can direct any questions about this event to Bob:
 Bob_Vanselow@att.net

Why We Need ‘Brothers’

Catholic men benefit from close, genuine friendships

By Gerald Korson

Sompaul Vorapanich enlisted in the U.S. Army shortly after 9/11 and has served his country faithfully ever since. A veteran of the war in Afghanistan, he knows the camaraderie and mutual trust that a platoon of soldiers must share to carry out a successful mission.

‘Band of Brothers’

A founding member of St. Michael the Archangel Council 14773 in Fort Bragg, N.C., Vorapanich likened the military idea of a “band of brothers” to the mutual support and accountability every Catholic man needs in his life.

“A great Catholic friend is someone who is not afraid to tell you when you’re wrong, when you’re doing something that’s not aligned with your faith, or when you’re doing something that’s unethical,” he said. “They’re the ones that are going to pick you up when you fall. ... They’re the ones that are going to push you to move past your limits when you need [it].”

Men need other men to become stronger. A verse from Proverbs states this well: “Iron sharpens iron, and one man sharpens another” (27:17). Men of

similar ideals will challenge one another to greater heights than any one of them could achieve on his own.

What’s more, being part of a “band of brothers” means having true friends who support one another when times get tough.

Many Catholic men, however, lack those kinds of relationships. Without brothers in the faith, they are missing a vital means of support.

This lack of personal connection is partly a cultural problem in an age when people might have many social media “friends” but few, if any, they can count on in “real life.” It’s also partly the rugged “lone ranger” attitude of many men who believe they can handle things on their own. But what men really need is close friendship with other men — friends with whom they can be open, honest and vulnerable, friends for whom they are willing to sacrifice.

Our Mission From Christ

According to Scott Hahn, popular author and theology professor at the Franciscan University of Steubenville, Christ empowers us through his sacrifice and his gift of the Eucharist to “die to ourselves, die to the world, and live for each other.”

Christ formed his own “band of brothers,” the Twelve Apostles. They became the foundation of the Church, and they were the first to go out and preach the Gospel on the first Pentecost. That’s how evangelization happens best — through the witness of individuals, but individuals who are bonded through fraternities of faith.

“The Eucharist is the body of Christ,” he said. “When we finish Mass, we’re told to be that Eucharist to the world. We must act like Christ, and if we can do that, together, as a group of brothers, that’s where we can make a true difference.”
